If your Plan is an Alberta LIF, British Columbia LIF or Nova Scotia LIF, the Alberta LIF Addendum, British Columbia LIF Addendum or the Nova Scotia LIF Addendum, as applicable, is incorporated by reference into this Locking-in Supplement and all the provisions of the Alberta LIF Addendum, British Columbia LIF Addendum or the Nova Scotia LIF Addendum, as applicable, form part of this Locking-in Supplement. If there is any inconsistency between the provisions of this Locking-in Supplement and the other provisions of the Declaration, the provisions of this Locking-in Supplement, the apply. If there is any inconsistency between the provisions of the Alberta LIF Addendum, British Columbia LIF Addendum or the Nova Scotia LIF Addendum, and the other provisions of this Locking-in Supplement, the provisions of the Alberta LIF Addendum, British Columbia LIF Addendum or the Nova Scotia LIF Addendum, as applicable, apply. We will comply with all relevant provisions of pension legislation.

3. **Purpose:** We will hold transfers accepted by us for your Plan, investments made with those amounts and any income and capital gains realized in respect of those investments in trust for the purposes of providing you with a pension in accordance with the Tax Act and pension legislation. The assets of your Plan may not be withdrawn, commuted or surrendered except as permitted by the Tax Act and pension law.

4. **Transfers to your Plan:** The only assets that may be transferred to your Plan are assets transferred directly or indirectly from an RPP a LIRA/Locked-in RSP, a RLSP; if permitted by pension legislation, a LIF, RLIF, PRRIF or LRIF; or another source permitted by the Tax Act and pension legislation from time to time. We will not accept any amount transferred to your Plan: (a) from a source or in circumstances not permitted by the Tax Act and pension legislation; or (b) in circumstances that would require us to begin making payments from your Plan contrary to pension legislation. For example, where Saskatchewan pension legislation governs your Plan, we will not accept any amount transferred to your Plan unless: (a) you are at least 55 years of age or if you are younger, you have provided evidence satisfactory to us that any RPP from which assets were directly or indirectly transferred provided for retirement at your age; and (b) your spouse has provided consent in the form and manner required by pension legislation. Locked-in assets governed by pension legislation of one jurisdiction may not be commingled in your Plan with non-locked-in assets or locked-in assets governed by pension legislation of another jurisdiction. Where New Brunswick pension legislation governs your Plan, if the amount transferred to your Plan was determined in a way that differentiated based on your gender, amounts subsequently transferred to your Plan must have been differentiated on the same basis.
5. **Investments:** The investments held in your Plan must comply with the investment rules imposed by the Tax Act for a RRIF. Where your Plan is a LIF governed by Manitoba pension legislation, your Plan may not directly or indirectly hold any mortgage if you or your spouse is the mortgagor or if the mortgagor is your parent, sibling or child or the spouse of any of those people.
6. **Retirement Income:** The assets of your Plan will be used to provide you with an income that will begin on or before December 31 of the second fiscal year of your Plan. In each calendar year, the total amount of payments to you from your Plan (including any direct transfers to the issuer of your RRSP, RRIF or life annuity as described by paragraph 15 [Transfers from your LIF, RLIF or LRIF to a Non-locked-in Plan] of this Locking-in Supplement), may not be less than the Minimum Amount or more than the Maximum Amount, except as otherwise permitted by this Locking-in Supplement. For the first fiscal year of your Plan, the Minimum Amount is zero. For each calendar year you must complete the forms and declarations that we provide and indicate on those forms the amount and frequency of payments to be made during the year, including any portion of the payment to be made in accordance with paragraph 8 [Increasing the Maximum Amount paid to a Young Annuitant] of this Locking-in Supplement. The amount that you specify may vary from year to year.
7. **Calculation of Maximum Amount under a LIF, RLIF or LRIF:** If your Plan is a LIF, RLIF or LRIF, the Maximum Amount for a year will not be less than the Minimum Amount and will be calculated as at the beginning of each year according to the formula and other rules in pension legislation and may be recalculated from time to time during the year if permitted by pension legislation. For example:
 - (a) if your Plan is a Federal LIF, RLIF or a Newfoundland and Labrador LIF, the Maximum Amount for a year will be calculated by dividing the value of the assets of your Plan at the beginning of that year by the value of a pension that makes a \$1.00 annual payment at the beginning of each fiscal year up to and including the year in which you reach age 90. The value of the \$1.00 annual payment will be established at the beginning of the fiscal year for a Newfoundland and Labrador LIF and on January 1 of the fiscal year in which the calculation is made for a Federal LIF or a RLIF. For a Newfoundland and Labrador LIF, the value of the \$1.00 annual payment will be established (i) using an interest rate of not more than 6% or, an interest rate of more than 6% may be used for the first fifteen years after the valuation date if that rate does not exceed the rate obtained on long-term bonds issued by the Government of Canada for the November before the year of valuation, as compiled by Statistics Canada and available on the Bank of Canada website as V122487 (formerly published in the Bank of Canada Review as CANSIM Series B-14013), and (ii) using a rate not exceeding 6% for subsequent years. For a Federal LIF or a RLIF, the value of the \$1.00 annual payment will be established using an interest rate (iii) for the first fifteen years after January 1 of the year in which the Federal LIF or the RLIF (as the case may be) is valued, that is less than or equal to the monthly average yield on Government of Canada marketable bonds of maturity over 10 years, as published by the Bank of Canada, for the second month before the beginning of the calendar year, and (iv) for any subsequent year, that is not more than 6%. The Maximum Amount under a Federal LIF or a RLIF for a year including or after the year you reach age 90 will be the value of the assets of your Plan immediately before a payment is made.
 - (b) if your Plan is a Newfoundland and Labrador LRIF, the Maximum Amount for a year will be the greatest of: (i) the income, gains and losses earned from the time your Plan was established to the end of its last completed fiscal year and with respect to any portion of your Plan that was directly derived from a LIF, the income, gains and losses earned by the LIF in its last complete fiscal year, less all income paid to you from your Plan; (ii) the income, gains and losses earned during the immediately previous fiscal year; and (iii) in the first or second fiscal year of your Plan, 6% of the fair market value of your Plan at the beginning of that fiscal year.

If permitted or required by pension legislation: (a) the Maximum Amount for the first fiscal year of your Plan will be pro-rated over the number of months remaining in the year, with a part month counting as a full month; (b) if the assets of your Plan are derived from assets transferred directly or indirectly from another LIF, RLIF or LRIF (as the case may be) of yours, then subject to the requirement to pay the Minimum Amount, the Maximum Amount will be zero for the first fiscal year of your Plan or the fiscal year of transfer or the first fiscal year following that transfer, as required by pension legislation; and (c) the Maximum Amount for a year will be increased if you transfer assets to your Plan during that year that have never before been held in a LIF or LRIF provided the increase is not more than the Maximum Amount that would have applied if the assets had been transferred to a newly established LIF or LRIF.
8. **Increasing the Maximum Amount paid to a Young Annuitant:** Where Newfoundland and Labrador or Quebec pension legislation governs your Plan, we will make payments to you from your Plan which, in total, are greater than the Maximum Amount for a year after receiving your

- written application, in the form required by pension legislation, stipulating the number and amount of payments that you would like to receive if: (a) you were under 65 years of age at the beginning of the year in which the application is made; and (b) the amount requested is not greater than the maximum amount permitted by pension legislation. Your entitlement under this paragraph will be zero for a year if you were less than 54 years of age or more than 64 years of age at the beginning of the year unless Quebec pension legislation governs your Plan, in which case, we will make monthly payments if: (a) you provide us with a declaration, in the form required by pension legislation, declaring your expected income (excluding payments from your Plan) for the next 12 months; (b) your expected income, as stated in your declaration, is not greater than 40% of the YMPE; (c) none of the monthly payments exceed one-twelfth of the difference between 40% of the YMPE and three-quarters of your expected income as stated in your declaration; (d) you undertake to promptly request us to suspend the payments as soon as your income equals 40% of the YMPE; and (e) you have not previously requested a suspension of monthly payments. Where Newfoundland and Labrador pension legislation governs your Plan, we will make the payments if: (a) your application stipulates the amount of pension income that you expect to receive from LIFs, RLIFs, life annuities and RPPs (other than Canada Pension Plan income) during the calendar year in which your application is made; (b) your expected pension income, as stated in your application, is less than 40% of the YMPE for the year; (c) your spouse has provided a waiver in the form and manner required by pension legislation; and (d) in the first fiscal year of your Plan, the maximum amount that may be paid under this paragraph is pro-rated over the number of months remaining in the year, with a part month counting as a full month.
9. **Collapsing a Small LIF, RLIF or LRIF:** If the total value of your Plan and such locked-in assets in such other plans as prescribed by pension legislation does not exceed 50% of the YMPE for the year (or a lesser amount specified by pension legislation) and you have reached age 65 (or a lesser age specified by pension legislation), we will make a lump-sum payment from your Plan equal to the value of your Plan after receiving your request, signed declaration or attestation in the form and manner required by pension legislation and satisfactory evidence that all the necessary conditions stipulated by pension legislation are satisfied. We will endeavour to make the payment within 30 days after receiving satisfactory instructions and any other documentation that we consider necessary.
 10. **Collapsing your LIF, RLIF or LRIF after you become a Non-resident:** Where Federal, New Brunswick, Ontario or Quebec pension legislation governs your Plan, we will make a lump-sum payment to you from your Plan equal to the value of your Plan after receiving: (a) your request; (b) any document or information required by pension legislation; (c) satisfactory written evidence that the Canada Revenue Agency has determined that you (and where New Brunswick pension legislation governs your Plan, your spouse) are a non-resident of Canada for the purposes of the Tax Act; (d) where New Brunswick pension legislation governs your Plan, satisfactory written evidence that you and your spouse, if any, are not Canadian citizens; and (e) where New Brunswick or Ontario pension legislation governs your Plan, a waiver from your spouse in the form required by pension legislation. Where Federal, Ontario or Quebec pension legislation governs your Plan, we will not make the payment until you have been absent from Canada for at least two years.
 11. **Shortened Life Expectancy:** We will make a lump-sum or series of payments to you from your Plan which, in total, may be greater than the Maximum Amount for the years in which payments are made, but only to the extent and in the manner permitted by pension legislation, after receiving: (a) a request; (b) a medical certificate signed by a physician certifying that you are subject to a physical disability or, where contemplated by pension legislation, a terminal illness or mental disability, that considerably reduces (or where Quebec pension legislation governs your Plan, reduces) your life expectancy; (c) where Ontario pension legislation governs your Plan, the medical certificate certifies that your illness or physical disability is likely to reduce your life expectancy to less than 2 years; (d) where Manitoba, New Brunswick, Newfoundland and Labrador or Ontario pension legislation governs your Plan, a waiver from your spouse in the form and manner required by pension legislation; and (e) any other document or information required by pension legislation. We will endeavour to make a payment within 30 days after receiving satisfactory instructions and any other documentation that we consider necessary.
 12. **Low Income/Medical-Related Financial Hardship:** If Federal pension legislation governs your Plan, you may withdraw an amount (federal) from your Plan up to the lesser of the amount determined by the formula set out in the Federal pension legislation and 50% of the YMPE minus any amount withdrawn in the calendar year under this paragraph – from any LIF or RLIF (as the case may be) – or under the corresponding financial hardship provisions of your LIF, LIRA/Locked-in RSP, RLSP or RLIF (where applicable), if
 - (a) you certify that you have not made a withdrawal in the calendar year under this paragraph – from any LIF or RLIF (as the case may be) – or under the corresponding financial hardship provisions of your LIF, LIRA/Locked-in RSP, RLSP or RLIF (where applicable) other than within the last 30 days before such certification,
 - (b) you attest to us, in writing, as to the basis of the financial withdrawal and as to the existence of a spouse (and the spouse's consent, where required), in the forms and manner required by Federal pension legislation; and
 - (c) you provide us with such other certifications as required by the Federal pension legislation.
 13. **Financial Hardship (Ontario):** If Ontario pension legislation governs your Plan, you may withdraw, upon an application to us in the prescribed form and manner together with all other documents as required by Ontario pension legislation, an amount from your Plan for reasons of financial hardship relating to medical expenses, rental or mortgage arrears relating to your principal residence, payment of first and last months' rent of your principal residence or low income (all as described in Ontario pension legislation) or such other financial hardship circumstances as may be provided by Ontario pension legislation. The amount to be withdrawn is subject to a minimum amount and a maximum amount prescribed by Ontario pension legislation. An application that meets all the applicable requirements of Ontario pension legislation constitutes authorization to us to make the payment or transfer from your Plan pursuant to the application and in accordance with Ontario pension legislation.
 14. **Spousal Payments after Relationship Breakdown:** The assets of your Plan and any life annuity established with the assets of your Plan may be subject to division under family law and pension law. After receiving satisfactory evidence of entitlement and confirmation that a payment is not prohibited by pension law, a payment or payments will be made out of your Plan but only to the extent and in the manner permitted by law: (a) to effect a division of assets provided the payment is made pursuant to applicable marital property legislation; or (b) pursuant to an execution, seizure, attachment or other process of law in satisfaction of an order for support or maintenance. Within the limits permitted by pension legislation, we may deduct from your Plan our cost of complying with an order for support or maintenance.
 15. **Spousal Entitlement after Relationship Breakdown:** Your spouse's entitlement to survivor benefits under your Plan will end upon divorce or annulment (and where Quebec pension governs your Plan, nullity or dissolution of a civil union) unless: (a) your spouse is named as a beneficiary of your Plan; or (b) Quebec legislation governs your Plan and you have notified us that the payment of a life annuity to your spouse will continue despite the relationship breakdown. Your spouse's entitlement to survivor benefits under your Plan may end upon separation.
 16. **Transfers from your LIF, RLIF or LRIF to a Non-locked-in Plan:** If your Plan is a LIF or LRIF, the maximum amount that may be transferred in any fiscal year from your Plan to the issuer of your RRSP, RRIF or life annuity that conforms with the Tax Act but does not conform with pension legislation, is the Maximum Amount for the fiscal year, except that where New Brunswick pension legislation governs your Plan, on one occasion during your lifetime, you may transfer an amount (in addition to and separate from the Maximum Amount) from your Plan or another LIF of yours to your RRIF if: (a) you obtain the written approval of the New Brunswick Superintendent of Pensions; and (b) the amount is no more than the lesser of: (i) 3 times the Maximum Amount for the fiscal year; and (ii) 25 percent of the value of your Plan on the first day of the fiscal year. Where Quebec pension legislation governs your Plan, when determining the total amount that may be transferred, the Maximum Amount will be calculated on the assumption that you are not entitled to an additional amount by virtue of being at least 54 years of age but under 65 years of age. If your Plan is a RLIF and it is established in the calendar year in which you reach 55 years of age or in any subsequent calendar year, you may transfer 50% of the assets in your Plan to a RRSP or a RRIF within 60 days after the establishment of your Plan if (a) your Plan was created as the result of the transfer of a pension benefit credit from an RPP or a transfer from a LIRA/Locked-in RSP or a LIF, governed by Federal pension legislation; and (b) if you attest to us, in writing, as to the existence of a spouse (and the spouse's consent, where required), in the form and manner required by the Federal pension legislation.
 17. **Other Transfers from your Plan:** Subject to any restrictions imposed by the Tax Act or pension legislation, all or any part of the assets of your Plan may be transferred to the issuer of an RPP, LIRA/Locked-in RSP, RLSP, LIF, RLIF, PRRIF, LRIF or life annuity. Before transferring assets from your Plan, we will: (a) confirm that the transfer is permitted under pension legislation and the Tax Act; (b) confirm that the issuer of the recipient plan is on the list of acknowledged financial institutions and the recipient plan is on the list of LIRAs/Locked-in RSPs, RLSPs, LIFs, RLIFs or LRIFs if such a list is maintained by the Superintendent of Pensions; (c) notify the issuer of the recipient plan of the locked-in (or, for a transfer to a PRRIF, the non-locked-in) status of the assets being transferred and the pension legislation that governs the assets; and (d) obtain the commitment of the issuer of the recipient plan to administer the transferred assets according to pension legislation. We will comply with any other requirement imposed by pension legislation.
 18. **Maturity of a LIF:** If your Plan is a LIF governed by Newfoundland and Labrador pension legislation, any assets held in your Plan on December 31 of the year in which you reach the maximum age for maturity specified by pension legislation must be used to establish an immediate life annuity that conforms with the Tax Act and pension legislation. If we do not receive satisfactory instructions by September 30 of that year, you will be deemed to have instructed us to liquidate the investments of your Plan and use the proceeds on or before December 31 of that year to establish an immediate life annuity selected by us and we will not be liable for any resulting loss.
 19. **Life Annuity:** Except for the life annuity referred to in paragraph 15 [Transfers from your LIF, RLIF or LRIF to a Non-locked-in Plan] of this Locking-in Supplement, a life annuity established with the assets of your Plan must comply with pension legislation in addition to the rules imposed by the Tax Act. A life annuity established with the assets of your Plan must be established for your life. However, if you have a spouse on the date contemplated by pension legislation and the Tax Act, the life annuity must be established for the life of the survivor of you and your spouse unless your spouse is not entitled by virtue of a breakdown of your relationship or a spousal waiver has been provided in the form and manner required by pension legislation and has not been revoked. Your spouse's right to a life annuity as your survivor may be waived in the form and manner stipulated by pension legislation before payments under the life annuity begin. The waiver may be revoked in accordance with pension legislation. Where required by pension legislation, an insurer must guarantee payments under the life annuity but not for a period longer than 90 years minus the age of you or your spouse at the time the life annuity was acquired. Where Quebec pension legislation governs your Plan, the guarantee period of a life annuity established with assets of your Plan may not be longer than the day before you would reach age 90. If your spouse is entitled to payments under the life annuity after your death, those payments must be at least 60 percent (or where Manitoba pension legislation governs your Plan, 66 2/3 percent) of the amount to which you were entitled before your death. The life annuity may not differentiate based on your gender except to the extent permitted by pension legislation. Where Quebec pension legislation governs your Plan, the equal periodic payments under the life annuity may be uniformly increased because of an index or a rate provided for in the contract and that conforms with the adjustments permitted by the Tax Act or may be uniformly adjusted because of (a) a seizure of the assets of your Plan; (b) a redetermination of your pension; (c) the division of assets of your Plan with your spouse after relationship breakdown; (d) the payment of a temporary pension as provided for in section 91.1 of pension legislation; or (e) an election under subsection 93(3) of pension legislation relating to payments after your death.
 20. **Beneficiary Designation:** The designation of a person other than your spouse as the beneficiary of your Plan will not be valid if you have a spouse who is entitled to survivor benefits under your Plan because of pension legislation. Your spouse's right to be the beneficiary of your Plan may be waived (and the waiver may be revoked) in the form and manner stipulated by pension legislation.
 21. **Death:** Following your death, the assets of your Plan will be paid to the person who was your spouse on the date of your death or will be used to provide that person with a pension unless that person is not entitled to survivor benefits under pension legislation. If pension legislation permits or requires that person to receive survivor benefits in a form other than a lump-sum payment, that person may instruct us to: (a) continue the payments referred to in paragraph 6 [Retirement Income] of this Locking-in Supplement to him or her provided that person is the successor annuitant of your Plan; or (b) transfer the assets of your Plan to the issuer of an RRSP, LIRA/Locked-in RSP, RLSP, RRIF, LIF, RLIF, LRIF or life annuity as permitted by pension legislation and the Tax Act. If you did not have a spouse on the relevant date or if your spouse is not entitled to survivor benefits under pension legislation, the assets of your Plan will be paid to your designated beneficiary, if that person was living at the date of your death and if not, to your legal representatives. The

assets of your Plan will be paid out of your Plan within 60 days after we receive all releases and other documents that we request. If we have not received satisfactory instructions by that date, we may transfer the assets of your Plan as permitted or required by pension legislation and we will not be liable for any resulting loss.

22. **Other Payments or Transfers:** We will make a lump sum or series of payments or transfers from your Plan not otherwise provided for in this Locking-in Supplement but only in the manner and to the extent specifically permitted by pension legislation and only after receiving your request and any documents and information required by us and pension legislation.
23. **Payments or Transfers made Contrary to Pension Legislation:** Where Manitoba or Saskatchewan pension legislation governs your Plan, if assets are paid out of your Plan contrary to pension legislation or are transferred out of your Plan contrary to paragraph 16 [Other Transfers from your Plan] of this Locking-in Supplement, we will ensure that you receive a pension in an amount and if required by pension legislation, in a manner that would have been provided if the assets had not been transferred or paid out of your Plan. Where Quebec pension legislation governs your Plan, if the total payments made to you during a fiscal year of your Plan are more than the amounts permitted to be paid under your Plan or pension legislation, upon receipt of your request, we will pay to your Plan an amount equal to the surplus payment unless the surplus payment is attributable to a false statement made by you.
24. **Fiscal Year:** The fiscal year of your Plan will end on December 31 of each year and may not exceed 12 months.
25. **Valuation:** On any given day, the value of your Plan will be determined based on the value of the assets owned by your Plan at the close of business on that day net of any fees or expenses properly chargeable to your Plan.
26. **Statements:** You will be sent a statement of your account together with any additional information required by pension legislation: (a) following the end of each fiscal year of your Plan; (b) as of the date of a transfer of assets out of your Plan; (c) any other time required by pension legislation; and (d) following receipt of your request. Your spouse, designated beneficiary or legal representatives, as applicable, will be given a statement of your account as of the date of your death.
27. **Assignment and Seizure:** The assets of your Plan and payments from your Plan may not be assigned, charged, alienated, anticipated, given as security or subjected to execution, seizure or attachment except as permitted by the Tax Act and pension law. A transaction that is contrary to this paragraph is void.
28. **Amendments:** From time to time we may amend the Declaration (including this Locking-in Supplement) provided that the amendment does not disqualify your Plan as a LIF, RLIF, PRRIF or LRIF, as applicable, and, if required by law, the amendment is approved by the authorities administering the Tax Act and pension legislation. Where New Brunswick, Newfoundland and Labrador, Nova Scotia or Ontario pension legislation governs your Plan, no amendment will be made that will reduce your benefits under your Plan unless the amendment is required to cause your Plan to comply with the law. Amendments that do not reduce your benefits but are required to ensure that your Plan continues to comply with the law will be effective without notice, unless Newfoundland and Labrador or Nova Scotia pension legislation governs your Plan. Any other amendment will be effective not less than 30 days' (or 90 days' where required by pension legislation) after notice has been provided to you. Where required by pension legislation, you will also be provided with notice of your entitlement to transfer assets out of your Plan. Where Newfoundland and Labrador pension legislation governs your Plan, notice will be sent by registered mail.

Locking-in Supplement Revised: September 2015

4(1) An owner must be paid an income from their LIF, the amount of which may vary, annually.

(2) Income payments from a LIF must begin no earlier than

(a) the earliest date that the owner would have been entitled to receive a pension under any pension plan from which the money was transferred; or

(3) Income payments from a LIF must begin no later than the end of a LIF's 2nd fiscal year.

Amount of income payments from LIFs

6(1) The amount of income that is paid out of a LIF during a fiscal year must not be less than the minimum amount prescribed for a registered retirement income fund by the federal *Income Tax Act*, determined on the basis of the owner's age or the age of the owner's spouse if the spouse is younger than the owner.

(2) Despite Sections 7, 8, 10, 11 and 12 of this Schedule, if the minimum amount specified by subsection (1) is greater than the maximum amount determined under those Sections for a fiscal year, then the minimum amount under subsection (1) must be paid out of the LIF during the fiscal year.

Pro-rating amount of withdrawal if initial fiscal year less than 12 months

7 If the initial fiscal year is less than 12 months long, the maximum amount determined under Sections 8, 10, 11 and 12 of this Schedule must be adjusted in proportion to the number of months in that fiscal year divided by 12, with any part of an incomplete month counting as 1 month.

Maximum annual life income from LIF that does not provide for temporary income

8 The maximum annual amount of life income to be paid each year from a LIF from which no temporary income is paid is determined by the following formula:

$$\text{maximum payable} = F \times B$$

in which

F = is the factor in Schedule 5: Life Income Fund—Factor F that corresponds to the reference rate for the fiscal year and the owner's age at the end of the previous year

B = the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF, to the LIF, in the same year.

Withdrawal of temporary income from LIFs

9(1) A LIF may provide that the owner is entitled to temporary income in accordance with this Section and Sections 10 and 11 of this Schedule.

(2) An owner of a LIF from which temporary income may be paid who is at least 54 years old but under 65 years old at the end of the calendar year before the date they apply, may apply in an approved form to the financial institution that provides a LIF for payment of temporary income from the LIF.

(3) Temporary income must not be paid under a LIF

(a) before the owner is 55 years old; and

(b) after the end of the year in which the owner turns 65 years old.

(4) Temporary income is not payable if any portion of a payment out of a LIF is transferred to an registered retirement savings plan or a registered retirement income fund.

Maximum temporary income for fiscal year

10(1) Except as provided in subsection (2), the maximum temporary income that may be paid during a fiscal year out of a LIF from which temporary income may be paid must be the lesser of the following amounts:

(a) the amount calculated by the following formula:

$$(50\% \text{ of the YMPE}) - T$$

in which

YMPE = the Year's Maximum Pensionable Earnings for the fiscal year

T = the total of temporary income for the owner from a pension plan or from other LIFs of the owner for that fiscal year;

(b) the amount calculated by the following formula:

$$F \times B \times D$$

in which

F = is the factor in Schedule 5: Life Income Fund—Factor F that corresponds to the reference rate for the fiscal year and the owner's age at the end of the previous year

B = the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF, to the LIF, in the same year

D = the factor in Schedule 6: Life Income Fund—Temporary Income Factor D that corresponds to the owner's age at the end of the previous fiscal year.

(2) If the amount determined under clause (1)(b) is less than 50% of the Year's Maximum Pensionable Earnings, then the maximum temporary income paid out of a LIF during a fiscal year must be the lesser of the following amounts:

(a) the amount calculated under clause (1)(a);

(b) the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF to the LIF in the same year.

Maximum life income withdrawal from LIFs

11 The maximum life income to be paid from a LIF from which a temporary income is paid is determined by the following formula, provided that the maximum must not be less than zero:

$$\text{maximum payable} = (F \times B) - (Y \div D)$$

in which

F = the factor in Schedule 5: Life Income Fund—Factor F that corresponds to the reference rate for the fiscal year and the owner's age at the end of the previous year

B = the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF, to the LIF, in the same year

Y = the maximum annual temporary income determined under Section 10 of this Schedule

D = the factor in Schedule 6: Life Income Fund—Temporary Income Factor D that corresponds to the owner's age at the end of the previous year.

Maximum annual income payable if financial institution guarantees rate of return of LIFs

12(1) If a financial institution that provides a LIF guarantees the rate of return of the LIF over a period greater than 1 year and the owner establishes the amount of income to be paid during that period, the maximum income that may be paid during each of the fiscal years during the period must be determined at the beginning of each fiscal year in the period in accordance with this Section.

(2) For each year after the initial fiscal year, the maximum income to be paid for the fiscal year under a LIF described in subsection (1) is equal to the lesser of the following amounts:

(a) the balance of the LIF at the time of payment in that year;

(b) the amount determined by the following formula:

$$\text{maximum income} = (I \times B) \div RB$$

in which

I = the maximum income determined for the initial fiscal year under Section 11 of this Schedule

B = the balance of the LIF at the beginning of the fiscal year

RB = the reference balance determined at January 1 of the year as calculated under subsection (3).

- (3) For the formula in clause (2)(b), the reference balance ("RB") must be calculated by the following formula:

$$RB = (PRB - I) + ((PRB - I) \times RR/100)$$

in which

PRB = the reference balance

- (i) at the beginning of the previous year, or
(ii) for the 2nd year of the period, the LIF balance at the beginning of the 1st year of the period
I = the maximum income determined for the initial fiscal year
RR = the reference rate for the year, if the fiscal year is one of the first 16 fiscal years of the LIF, or by 6% for any other year.

Income in excess of maximum

- 13 If income paid to an owner under a LIF during a fiscal year exceeds the maximum that may be paid, the balance of the LIF must not be reduced by the excess unless the payment is attributable to incorrect information provided by the owner.
