2. DONATIONS (cont'd)

DEED OF GIFT

I hereby give cash, securities (including mutual funds) and/or ownership of a life insurance policy absolutely to the Strategic Charitable Giving Foundation (the "Foundation").

Donations

I acknowledge that each donation, whether cash, securities (including mutual funds), gifts designated to the Foundation in my Will, RRSP, RRIF, tax-free savings account or life insurance (where the Foundation is named as a beneficiary under such plans or policies), or grants from another charity will be deemed to be a separate donation (the "donation") and will be liquidated and the proceeds will be used to purchase units of an Eligible Fund, and will be added to and form part of my Mackenzie Charitable Giving Account (the "Account").

I acknowledge that the Foundation grants at a minimum rate of 4% per annum. Grants will be paid out of the funds held in the Account. The actual grant amount is based on the Account's market value on December 31st of each year, except in the first calendar year of the account being open, when the granting amount will be based the total value of all gifts received by the end of the quarter prior to granting. I acknowledge that I may recommend an annual grant rate of up to 25% in the twelve months immediately after the initial donation is received by the Foundation, and up to 100% thereafter, and that I may recommend a new rate at any time but that the ultimate decision on grant amounts rests with the Foundation's Board of Directors.

I acknowledge that the Foundation shall be unrestricted in its ability to disburse part of or the entire balance of the Account and I acknowledge that the Foundation may consult the individual or entity then responsible for making recommendations to the Account about whether they recommend granting more or all of the assets in the Account, but that the Foundation is not bound to do so.

Administration of Donations

The Foundation intends to administer the donations by establishing separate investment accounts for each Account. I acknowledge and direct that the Foundation establish a separate investment account for each Account. The Foundation intends to administer the donations by commingling donations in each Account to minimize the expenses associated with administering each donation. The Foundation will keep records that will track the initial donation as may be required by law or regulation. I acknowledge, agree and direct that all proceeds of each donation to this Account may be commingled in a single Account.

Investments in Eligible Mackenzie Funds

I acknowledge and understand that pursuant to an Agreement between the Foundation and Mackenzie Financial Corporation ("Mackenzie Investments"), the Board of Directors of the Foundation have agreed that all donations to the Mackenzie Charitable Giving Program will be invested in an Eligible Mackenzie Fund, as that list is determined by the Board of Directors acting prudently from time to time. I acknowledge and direct that 100% of the proceeds of the donation be invested in an Eligible Mackenzie Fund in accordance with the terms of the Mackenzie Charitable Giving Program.

Advantage or Benefit

I hereby confirm that I have read the "Eligible Amount (Advantage or Benefit)" section of the Program Guide which explains the rules provided in the Income Tax Act (Canada) which require the Foundation to reduce the value of the receipt issued by the value of any advantage or benefit I or my family may receive in connection with the donation. For example, an advantage or benefit may apply if this donation has resulted in I or a relative of mine (other than an aunt, uncle, niece, nephew or cousin) earning commissions in connection with the investment of my donation, or if the donation paid for membership fees, dues, tuition, admission to a charitable or other event, goods bought at an auction, or fulfilled a pre-existing pledge. Accordingly, I have ticked one of the following certifications below, as applicable:

- I certify that I did not and will not, and no relative of mine (other than an aunt, uncle, niece, nephew or cousin) did or will receive any advantage or benefit as a result of the making of the donation.
- I certify that I or a relative of mine (other than an aunt, uncle, niece, nephew or cousin) did or will receive an advantage or benefit as a result of the making of the donation. The value of the advantage or benefit received or to be received is: \$_____.
- I acknowledge my tax receipt will be equal to the value of my donation minus this amount.
